**Panamá, 29.08.2024**

## **Commitment to responsible forest management since 1995**

**Since the beginning of its reforestation activities in 1995, Forest Finance Panama S.A. commits to responsible forest management in accordance with the FSC® Principles and Criteria, as well as all applicable FSC® Policies and Standards in the Republic of Panama.** The company recognises the importance of environmentally appropriate, socially beneficial, and economically viable forest management and therefore maintains a long-term commitment to managing its forest resources in a responsible manner within the Republic of Panama.

Forest Finance Panama S.A. shall ensure that its management activities are implemented and monitored in accordance with FSC® requirements and with the objective of maintaining the long-term ecological, social, and economic values of the forest resources under its management.

This policy is endorsed by the management of Forest Finance Panama S.A. and applies to all forest management activities conducted by the company.

Danelis Noriega  
Managing Director Forest Finance Panama S.A.
